

2024 Stationery Lists

Please take the time to purchase the brands suggested below. Alternative brands of pencils and books continually run out or break too quickly. If quality brands are purchased at the beginning of the year the likelihood of needing them replaced is reduced.

Please name all books. There is no need to name the other items as they are shared and used as class sets. You can cover the books if you wish however the Clever Kiwi brand books have stronger covers and more pages than other brands.
